Federal Energy Regulatory Commission Reports

Federal Energy Regulatory Commission Reports Covering the entire spectrum of otolaryngology, Cummings Review of Otolaryngology is your go-to resource for efficient and effective preparation for in-service exams, the ABO oral and written boards, and the recertification exam. Using a logical, systematic approach, this unique review by Drs. Harrison W. Lin, Daniel S. Roberts, and Jeffrey P. Harris covers the most essential clinical information – such as differential diagnosis, clinical algorithms, and treatment options – in an easy-to-remember list format, helping you quickly respond to questions in a clinical and testing situation, teach other residents and medical students, or assist in patient management. Promotes efficient, immediate recall of material through a uniquely organized format, encouraging a way of thinking that is central to success on oral boards, on clinical rotations, and in patient care. Helps you answer questions such as: What questions do I need to ask in the history? What findings am I looking for on physical exam? What is the differential diagnosis? What are the critical findings on radiology and pathology studies? What are the treatment options? How do I perform this? and more, giving you a wealth of knowledge that can be accessed and used in any clinical or exam scenario. Includes practical sections on how to achieve success on the oral exam, as well as the most important pathology and radiology slides for in-service and board examinations. Features hard-to-find review coverage of sleep medicine, allergy, and dental/oral surgery. Ideal for review before clinical rounds with the attending surgeon, a complex surgical case, a mock oral board examination, or the American Board of Otolaryngology examinations. Consult this title on your favorite e-reader, conduct rapid searches, and adjust font sizes for optimal readability. Compatible with Kindle®, nook®, and other popular devices.

Freak the Mighty

Boxing in New Mexico, 1868-1940
The Newberry Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul Curtis, author of The Watsons Go To Birmingham—1963, a Newberry and Coretta Scott King Honoree. It’s 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud’s got a few things going for him: 1. He has his own suitcase full of special things. 2. He’s the author of Bud Caldwell’s Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!!! Bud’s got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. AN ALA BEST BOOK FOR YOUNG ADULTS AN ALA NOTABLE CHILDREN'S BOOK AN IRA CHILDREN'S BOOK AWARD WINNER NAMED TO 14 STATE AWARD LISTS “The book is a gem, of value to all ages, not just the young people to whom it is aimed.” —The Christian Science Monitor “Will keep readers engrossed from first page to last.” —Publishers Weekly, Starred “Curtis writes with a razor-sharp intelligence that grabs the reader by the heart and never lets go. . . . This highly recommended title [is] at the top of the list of books to be read again and again.” —Voice of Youth Advocates, Starred From the Hardcover edition.

Their Eyes Were Watching God

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she’d always live a privileged life on her family's ranch in Mexico. She’d always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn’t ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances—because Mama’s life, and her own, depend on it.

Esperanza Rising (Scholastic Gold) With a virtually nonexistent southern border and crime rampant across much of the country, the notoriously brutal MS 13 organization is spreading its tentacles throughout most of the major US cities and into the suburbs. When law enforcement is unable, and often hampered by political pressure, to handle the increase in violent criminal activity, a solution must be found before the country descends into chaos. Black Water is ultimately called in to resolve the problem in ways that would be totally unacceptable to law enforcement and the majority of the nation’s law abiding citizens. After a year of planning, Jim Lashley is tasked with eradicating their activities in El Paso, Texas. Even using the latest in technology to track the MS 13 members, Jim and his team soon
find that they cannot complete their operation until the streets are running red with the blood of the gang.

Buried Treasures Great Expectations is the thirteenth novel by Charles Dickens and his penultimate completed novel, that depicts the education of an orphan nicknamed Pip (a bildungsroman). It is Dickens's second novel, after David Copperfield, to be fully narrated in the first person. The novel was first published as a serial in Dickens's weekly periodical All the Year Round, from 1 December 1860 to August 1861. In October 1861, Chapman and Hall published the novel in three volumes.

The Assassin El Paso Thorp and Covich's Freshwater Invertebrates: Keys to Palaearctic Fauna, Fourth Edition, is part of a multivolume series covering inland water invertebrates of the world that began with Vol. I: Ecology and General Biology (2015), then Vol. II (2016) Keys to Nearctic Fauna, and finally in Vol. III (2018) Keys to Neotropical Hexapoda (insects and springtails). It now continues with identification keys for Palaearctic invertebrates in Vol. IV. Two other volumes currently in development focus on general invertebrates of the Neotropical/Antarctic, and Australasian Bioregions. Other volumes in the early planning stages include Afrotropical and Oriental/Oceanic Bioregions. All volumes are designed for multiple uses and levels of expertise by professionals in universities, government agencies and private companies, as well as by graduate and undergraduate students. Provides identification keys for inland water (fresh to saline) invertebrates of the Palaearctic Zoogeographic Region, from Iceland to Russia, and from the northern Pole region to Saharan Africa in the west, through the Middle East, and to the central China and Japan in the east. Presents identification keys for aquatic invertebrates to the genus or species level for many groups and to family for Hexapoda, with the keys progressing from higher to lower taxonomic levels includes a general introduction and sections on limitations, terminology and morphology, material preparation and preservation and references.

Ven Conmigo! From acclaimed author Laurie Halse Anderson comes this compelling first novel in the historical middle grade The Seeds of America trilogy that shows the lengths we can go to cast off our chains, both physical and spiritual. As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom.

Cummings Review of Otolaryngology E-Book Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Climatological Data Black members of the military served in every war, conflict and military engagement between 1861 and 1948. Beyond serving only as enlisted soldiers and non-commissioned officers, many also served as commissioned officers in positions of leadership and authority. This book offers the first complete and conclusive work to specifically examine the history of black commissioned officers.

The Boost "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." - an excerpt

Twelve Years a Slave Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

Dear Martin It was 1939 war was on the horizon and many dangerous people lurked in the shadows plotting to damage America. Government agents were fighting across the country to bring down these enemy spies. When Katelynn Collins woke from a coma, she had no memoriesher mind was a clean slate. Haunted by her dreams, she fought hard to recall her past life. As her memory began to return, she found herself in middle of an espionage ringconfused, disoriented, and frightened. Until she could replace her present with her past, she did not know which side she was on.

The Bean Trees

Thorpe and Covich's Freshwater Invertebrates

The Story of Black Military Officers, 1861-1948 Winner of the Wild West History Association Best Book Award In 1874, the Texas legislature created the Frontier Battalion, the first formal, budgeted organization as an arm of state government of what historically had been periodic groups loosely referred to as Texas Rangers. Initially created to combat the menace of repeated raids of Indians from the north and from Mexico into frontier counties, the Battalion was led by an unusual choice: a frail, humorless Confederate veteran from Navarro County, John B. Jones. Under Jones's leadership, the Battalion grew in sophistication, moving from Indian fighting to capturing Texas's bad men,
such as John Wesley Hardin and Sam Bass. Established during the unsettled time of Reconstruction, the Rangers effectively filled a local law enforcement void until competency was returned to local sheriffs' and marshals' offices. Numerous books cover individual Texas Rangers of note, but only a few have dealt with the overall history of the Rangers, and, strangely, none about Jones specifically. For the first time, author Rick Miller presents the story of the Frontier Battalion as seen through the eyes of its commander, John B. Jones, during his administration from 1874 to 1881, relating its history—both good and bad—chronologically, in depth, and in context. Highlighted are repeated budget and funding problems, developing standards of conduct, personalities and their interaction, mission focus and strategies against Indian war parties and outlaws, and coping with politics and bureaucracy. Miller covers all the major activities of the Battalion in the field that created and ultimately enhanced the legend of the Texas Rangers. Jones's personal life is revealed, as well as his role in shaping the policies and activities of the Frontier Battalion. Based largely on primary documents, especially the actual correspondence generated by the various actors in the Battalion's drama that best tell the tale, this book is a major contribution to understanding the early development and growth of what became the institution celebrated in legend today. And John B. Jones at last has a definitive biography that recognizes him as one of the most important men who actually laid the groundwork for that legend.

Handbook Of Carbon Nanomaterials (Volumes 9-10) "On June 28, 1868, a group of men gathered alongside a road 35 miles north of Albuquerque to witness a 165-round, 6-hour bare-knuckle brawl between Duffy and an unidentified fighter. Thought to be the first "official" prizefight in New Mexico, this spectacle marked the beginning of the rich and varied history of boxing"—Provided by publisher.

Tuck Everlasting Spanish curriculum for middle and secondary grades which uses an integrated approach to language learning to develop listening, reading, writing and speaking skills with a variety of print and technology resources. Levels 1A and 1B can be interchanged with Level 1.

Bud, Not Buddy During the 1960s, scholars constructed a model of cultural evolution in which men cooperated in the hunting of big game while women gathered plant food, "immobilized" by pregnancy and childcare. The essays in Women in Prehistory challenge this model as they reconsider women's social and economic roles.

Ven Conmigo Level 2, Grade 8 Activities for Communication This volume is a tribute to the career of Prof. Mildred Dresselhaus. It focuses on the optical properties and spectroscopy of single-wall carbon nanotubes. It contains chapters on diverse experimental and theoretical aspects of the field, written by internationally recognized experts. The volume serves as an important resource for researchers and students interested in carbon nanotubes.

A Long Walk to Water Tamar Herzog asks how territorial borders were established in the early modern period and challenges the standard view that national boundaries are settled by military conflicts and treaties. Claims and control on both sides of the Atlantic were subject to negotiation, as neighbors and outsiders carved out and defended new frontiers of possession.

Introduction to Coastal Engineering and Management “The Bean Trees is the work of a visionary. . . . It leaves you open-mouthed and smiling.” — Los Angeles Times A bestseller that has come to be regarded as an American classic, The Bean Trees is the novel that launched Barbara Kingsolver’s remarkable literary career. It is the charming, engrossing tale of rural Kentucky native Taylor Greer, who only wants to get away from her roots and avoid getting pregnant. She succeeds, but inherits a three-year-old Native American girl named Turtle along the way, and together, from Oklahoma to Arizona, half-Cherokee Taylor and her charge search for a new life in the West. Hers is a story about love and friendship, abandonment and belonging, and the discovery of surprising resources in seemingly
empty places. This edition includes a P.S. section with additional insights from the author, background material, suggestions for further reading, and more.

The Secret War in El Paso "Powerful, wrenching." —JOHN GREEN, #1 New York Times bestselling author of Turtles All the Way Down "Raw and gripping." —JASON REYNOLDS, New York Times bestselling coauthor of All American Boys "A must-read!" —ANGIE THOMAS, #1 New York Times bestselling author of The Hate U Give Raw, captivating, and undeniably real, Nic Stone joins industry giants Jason Reynolds and Walter Dean Myers as she boldly tackles America race relations in this stunning #1 New York Times bestselling debut, a William C. Morris Award Finalist. Justyce McAllister is a good kid, an honor student, and always there to help a friend—but none of that matters to the police officer who just put him in handcuffs. Despite leaving his rough neighborhood behind, he can’t escape the scorn of his former peers or the ridicule of his new classmates. Justyce looks to the teachings of Dr. Martin Luther King Jr. for answers. But do they hold up anymore? He starts a journal to Dr. King to find out. Then comes the day Justyce goes driving with his best friend, Manny, windows rolled down, music turned up—way up, sparking the fury of a white off-duty cop beside them. Words fly. Shots are fired. Justyce and Manny are caught in the crosshairs. In the media fallout, it’s Justyce who is under attack. "Vivid and powerful." -Booklist, Starred Review "A visceral portrait of a young man reckoning with the ugly, persistent violence of social injustice." -Publishers Weekly Summer of the Mariposas Building on the intellectual and political momentum that established the Critical Ethnic Studies Association, this Reader inaugurates a radical response to the appropriations of liberal multiculturalism while building on the possibilities enlivened by the historical work of Ethnic Studies. It does not attempt to circumscribe the boundaries of Critical Ethnic Studies; rather, it offers a space to promote open dialogue, discussion, and debate regarding the field’s expansive, politically complex, and intellectually rich concerns. Covering a wide range of topics, from multiculturalism, the neoliberal university, and the exploitation of bodies to empire, the militarized security state, and decolonialism, these twenty-five essays call attention to the urgency of articulating a Critical Ethnic Studies for the twenty-first century.

Critical Ethnic Studies Ralph is a software prodigy. He works in the US government office that updates the software in the population’s boosts—networked supercomputers contained in a chip implanted within the brains of 99 percent of the world’s population. Invented by Chinese researchers in 2032, the boost is credited with leading humanity to its most significant cognitive leap since the discovery of fire. Days before a national upgrade, Ralph notices that the update includes an open surveillance gate—meaning that Americans, who had negotiated high levels of privacy with the Chinese manufacturers, will now be subjected to the invasive Chinese standard. Ralph attempts to hack the boost, but is caught by agents working for Washington’s preeminent lobbyist. His boost is ripped from his head, and Ralph barely escapes with his life. Pursued by the lobbyist’s mercenary cadre, Ralph flees to the US–Mexico border, where there are others like him—“wild” humans on the fringes of society, unenhanced by technology. It’s a frightening and backward world controlled by powerful drug lords. Ralph’s only hope is to somehow work with these wild bosses of the analog world—in hopes of winning back freedom in the digital one. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Ahepa Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family’s property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks’ secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: “A fearsome and beautifully written book that can’t be put down or forgotten.” —The New York Times "Exciting and excellently written." —The New York Times Book Review “With its serious intentions and light touch the story is, like the Tucks, timeless.” —Chicago Sun-Times “Probably the best work of our best children’s novelist.” —Harper’s “Natalie Babbitt’s great skill is spinning fantasy with the lift and sense of timeless wisdom of the old fairy tales... It lingers on, haunting your waking hours, making you ponder.” —The Boston Globe “This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear.” —Entertainment Weekly This title has Common Core connections.

Women in Prehistory Melzer offers an impressive new book about famous New Mexico gravesites, usually the only monuments left to honor the human treasures who helped shape state, national, and often international history. Texas Ranger John B. Jones and the Frontier Battalion, 1874-1881 Go Math! Standards Practice Book Level 5 A history of the United States’ systematic expulsion of “undesirables” and immigrants, told through the lives of the passengers who travelled from around the world, only to be locked up and forced out aboard America's first deportation trains. The United States, celebrated as a nation of immigrants and the land of the free, has developed the most extensive system of imprisonment and deportation that the world has ever known. The Deportation Express is the first history of American deportation trains: a network of prison railroad cars repurposed by the Immigration Bureau to link jails, hospitals, asylums, and workhouses across the country and allow forced removal with terrifying efficiency. With this book, historian Ethan Blue uncovers the origins of the deportation train and finds the roots of the current moment, as immigrant restriction and mass deportation once again play...
critical and troubling roles in contemporary politics and legislation. A century ago, deportation trains made constant
circuits around the nation, gathering so-called "undesirable aliens"—migrants disdained for their poverty, political
radicalism, criminal conviction, or mental illness—and conveyed them to ports for exile overseas. Previous
deporation procedures had been violent, expensive, and relatively ad hoc, but the railroad industrialized the
expulsion of the undesirable. Trains provided a powerful technology to divide "citizens" from "aliens" and displace
people in unprecedented numbers. Drawing on the lives of migrants and the agents who expelled them, The
Deportation Express is history told from aboard a deportation train. By following the lives of selected individuals
captured within the deportation regime, this book dramatically reveals how the forces of state exclusion accompanied
epic immigration in early twentieth-century America. These are the stories of people who traveled from around the
globe, only to be locked up and cast out, deported through systems that bound the United States together, and in
turn, pulled the world apart. Their journey would be followed by millions more in the years to come.

Evil Deceit In an adventure reminiscent of Homer’s Odyssey, fifteen-year-old Odilia and her four younger sisters
embark on a journey to return a dead man to his family in Mexico, aided by La Llorona, but impeded by a witch, a
warlock, chupacabras, and more.

Frontiers of Possession When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes
separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and
Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a
project to dig water wells in Sudan. By a Newbery Medal-winning author.

Ven Conmigo Level 2, Grade 10 Activities for Communication Winner of the 2010 Spur Award for Best Contemporary
Nonfiction from Western Writers of America The Mexican Revolution could not have succeeded without the use of
American territory as a secret base of operations, a source of munitions, money, and volunteers, a refuge for
personnel, an arena for propaganda, and a market for revolutionary loot. El Paso, the largest and most important
American city on the Mexican border during this time, was the scene of many clandestine operations as American
businesses and the U.S. federal government sought to maintain their influences in Mexico and protect national
interest while keeping an eye on key Revolutionary figures. In addition, the city served as refuge to a cast of
characters that included revolutionists, adventurers, smugglers, gunrunners, counterfeiters, propagandists, secret
agents, double agents, criminals, and confidence men. Using 80,000 pages of previously classified FBI documents on
the Mexican Revolution and hundreds of Mexican secret agent reports from El Paso and Ciudad Juarez in the
Mexican Ministry of Foreign Relations archive, Charles Harris and Louis Sadler examine the mechanics of rebellion in
a town where factional loyalty was fragile and treachery was elevated to an art form. As a case study, this slice of El
Paso’s, and America’s, history adds new dimensions to what is known about the Mexican Revolution.

The Giver Jack, a police officer, has a German shepherd named Mike who is able to tell if someone has broken the
law by his sense of smell. Follow Jack and Mike as they bring to justice lawbreakers. Read about how Mike saves a
little baby and saves Jack’s life. Read about how they are able to bring kidnappers out in the open, arrest them, and
free their captives. You will visit the Baseball Hall of Fame and see Mike in action, stopping pickpockets. They go to
Hawaii to solve another crime wave. Find out how Molly joins the duo. You will be able to travel to different cities and
see how this threesome cleans up the city and brings crime to a stop.

The Deportation Express

Mike and Me Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is
considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston’s best known work.

Chains Returning to their small Texas town and the labyrinth of caves in which they once spent time, Wade, Molly,
and Byrd are drawn together by mysterious forces that plunge them into a supernatural war that spans across the
globe through the raging currents of the world’s rivers. Original.
